

"The Respirator"

For Governor

86 Gray Davis Blvd., Barstow, California, USA 90246

August 25, 2003

**United States Embassy
Lagos, Nigeria**

Dear Embassy Person:

It is critical to the future of California and all of the United States and its territories, including Gilligan's Island, that you immediately grant a visa to Barrister Phillip Uthunu, legal solicitor to the Standard Trust Bank of Nigeria and a valued addition to my campaign for Governor of California.

Mr. Uthunu has not clearly stated which critical role he will serve on my campaign (either Animal Control Assistant, Chief Inspector of Sewers, or Rear Marshal of Parades). However, I'm sure he will do so shortly. He also will be sending along a photo very soon for the campaign brochure.

Individuals of Mr. Uthunu's wit, intelligence and grace are in short supply in Barstow and throughout California. In fact, I believe a man of Mr. Uthunu's caliber has the potential to stand alongside America's greatest patriots, including John Wilkes Booth and Benedict Arnold.

Mr. Uthunu is among the finest individuals I have never met, and it is through his actions alone that \$12.2 million was not looted by someone less deserving than a candidate for the highest office in California.

Sincerely,

**Brad "The Respirator" Christensen
